

STOP Congress from Passing Amnesty for Illegal Aliens!

Last week, all of our Congressmen returned to Washington to debate the Kennedy/McCain “immigration reform” proposal... Legislation to give AMNESTY to millions of illegal aliens!

Oh, none of the supporters will call it “amnesty,” just like Ted Kennedy and John McCain won’t call it that. They like to use the term “guest worker program.”

But what does that “program” mean? It means giving illegal aliens a way to avoid any real penalty for BREAKING OUR LAWS.

That, my friend, is AMNESTY. And TODAY, the Senate is trying to pass a bill SUPPORTING that kind of amnesty for illegals!

That amnesty bill was **BLOCKED** three weeks ago, thanks to the pressure applied by grassroots Americans like YOU.

Now we’re at a critical moment — unless we keep the pressure on **THIS WEEK**, members of **the Senate are ready to pass a plan to grant amnesty to millions of illegal aliens, ignoring our existing laws** and import even more foreign workers to take American jobs. The Kennedy/McCain “immigration reform” legislation, as Phyllis Schlafly has said, “includes a massive guest worker program among weak border security measures.”

If we don’t stop them now, our last line of defense will be the U.S. House — and now, they’re under pressure to compromise on granting amnesty, too!

THIS IS INSANE! Republicans in the Senate should NOT put Ted Kennedy in charge of immigration reform. Our elected Representatives MUST “hold the line” against the “McKennedy” cave-in! The grassroots of America — that’s YOU and ME — MUST stop this NOW... and we’ve got a GREAT way to do that!

The U.S. House already passed Rep. James Sensenbrenner’s bill, the “Border Protection, Antiterrorism, and Illegal Immigration Control Act” (H.R. 4437). This bill, which passed WITHOUT any “guest worker” amnesty provisions attached, is what was sent to the Senate — and THAT is the bill they need to pass!

But they WON’T pass it unless OUR VOICES are heard and we FORCE them to — they must “feel the heat” and “see the light,” and **NOW!** — with every member of Congress having returned to Washington, D.C., and the focus on the RED HOT issue of illegal immigration — this is the PERFECT time to Hit Them HARD!

We need to get a strong message to ALL of our Senators and Representatives QUICKLY — one that they CAN’T IGNORE... so we’ve set up our site so that you can send a personalized Blast Fax directly to the office of **EVERY SINGLE SENATOR AND REPRESENTATIVE** in the U.S. Congress, demanding that they reject ANY “immigration bill” that includes ANY “guest worker” amnesty provisions!

We need to **FLOOD all of these legislators with faxes RIGHT AWAY**. They MUST KNOW that you want them to **enforce our present laws against illegal immigration**, instead of rewarding the illegals that are already here.

THEY THINK YOU DON’T CARE. Rep. Dana Rohrabacher, who called measures like Kennedy’s bill a “pro illegal immigration bill,” said it’s possible such a bill COULD pass because “Congress has insulated itself from the views of the American people on this issue for the last 10 years.”

It is CRITICAL that you ACT TODAY! If we can FLOOD the offices of these Congressmen and Senators with HUNDREDS OF THOUSANDS of faxes, demanding that they REJECT any “guest worker” amnesty bill, we CAN stop McCain’s and Kennedy’s dangerous bill dead in its tracks, and we can FORCE the House to stand strong against Senate compromisers. **We need YOUR help.** Go to our special web page and send your Blast Faxes to EVERY SINGLE U.S. Representative and Senator AT ONCE:

www.SecureBorders.net

In addition to your fax, you may make a donation to help spread the message that Immigration Reform MUST NOT include Amnesty for lawbreakers!

Dear Friends,

We ARE winning the battle to stop Amnesty for Illegal Aliens; we ARE having an effect on this issue up on Capitol Hill. Our members have already sent over 400,000 faxes and emails to their Senators over the last few weeks! We were able to get an amnesty-free bill through the U.S. House and BLOCK the amnesty bill in the Senate — and we’re so effective, far-left groups like People For the American Way are targeting us on this very issue (we’re in good company — they put us in with Phyllis Schlafly, Michelle Malkin, Paul Weyrich, Gary Bauer and the Minutemen). Now is NOT the time to pull back — we CAN win this important issue! We MUST!

Please be sure to tell EVERYONE you know who wants to help STOP “guest worker” amnesty for illegal aliens about this special website!

Sincerely,

William Greene
President, Rightmarch.com

Three weeks ago, the U.S. Senate went home for “spring break” — but not before liberals tried to pass legislation that would grant “guest worker” AMNESTY for millions of illegal aliens.

As Congress left for home, hundreds of thousands of supporters of illegal immigrants rallied in cities around the country, in support of granting AMNESTY to millions of ILLEGAL aliens.

Yes, The U.S. Senate and Congress MUST pass immigration reform that DOES NOT INCLUDE AMNESTY! Please use my donation to help make sure they get the message!:
